Besides these community events, we currently support the White Center Food Bank by staffing the food line from 6-8 PM on the fourth Wednesday each month. Lately we have had trouble getting enough volunteers to fill the line. Beth Greiser does a great job of coordinating our efforts. If you can lend a hand, contact her at 206 938 5706 or bethg.34th@gmail.com, preferably by the Sunday before.

We want to establish similar relationships with other organizations in the district if we can get people to commit to helping. Organizations like Family Promise in WS, and Hospitality House and New Futures in Burien could use our help. If you can help, contact Les Treall at les.treall@gmail.com.
