

34th District Democrats
2010 Outreach committee minutes from 3/18/10 meeting

This meeting was held at the Salvadoran Bakery in White Center
In Attendance were: Chris Weiss, Steve Butts, Helen Daniels, Elizabeth Heath, Jackie Dupras, and Les Treall.

We discussed the idea of having others on the committee take the lead on some of the events. Les will compile a list of events and dates for the others to review and sign up for. This will also be distributed at general meetings for recruitment purposes.

We talked about developing relationships with other organizations the way we have with the W/C food bank. This will require committed volunteers, so we will try to recruit more. Three organizations are listed on the handout for the general meetings.

We made a list of items we will need for the booths and tabling.
Laminated signs, canopy, tables, chairs, buttons, banner, table covers, campaign lit, sample ballot, tape, wire.

Jackie gave a report on her and Bruce Stotler's reconnaissance of meeting locations north of the Alaska Junction. They couldn't find any where with enough room and that was quite enough.

Next meeting

Next meeting will be on April 15, at 7PM, at Big Al's Brewery in White Center.
The address is 9832 14th SW in W/C.

The agenda will be focused on recruiting more volunteers to support our efforts with other organizations and staffing the booths.
