

34th District Democratic Precinct Caucus Resolution
High Point Community Center Area Caucus
March 6, 2006

Support Equal Rights and WashingtonWouldDiscriminate.ORG

Be it resolved by the area Democratic Caucus at High Point Community Center:

- We urge members and voters to refuse to sign the anti-equal rights initiative and referendum. Adoption of this resolution would also allow the campaign against these ballot measures (e.g., www.washingtonwoulddiscriminate.org) to list the King County Democrats as opposing the signature gathering effort.
