

Offices Subject to Election in the 34th Legislative District and 34th District Endorsements
THIS VERSION SHOWS ONLY CONTESTED RACES FOR JUDICIAL POSITIONS to save space
 Information Current as of August 12, 2008 – Version 6a

Note: This document contains hyperlinks. Highlighted names are linked to a campaign website. Asterisk (*) indicates that only candidates known to be Democrats are shown (except in non-partisan races). Per our policy, once the 34th District Democrats have endorsed a candidate in a partisan race, no other candidate names will appear on this list. For some races, especially non-partisan ones, e.g. Superintendent of Public Instruction, the list of candidates is very long – the complete list of all candidates is on the [King County Elections website here](#).
