Tim Nuse: not much to report other than to get out and get involved. Keep this energy through out the summer so we can re-elect our gov and many other dems.
- Steve Karbowski leadership community introducing what this committee is doing and letting the body know what the proposed standing communities would be and what their purpose would be. The rules are on-line at this point. We are opening these draft rules to the body for comments 8 Aug 08 closing comments to allow for time to complete and present to e-board in Sept for approval July 30 open public forum to discuss rules west sea golf course at 7:00 pm  
Bill s we need to figure out how to keep people involved that is the purpose of this community. Harness the power of 1000!  
Kathy m these rules will help with inclusivity. Will encourage or organization to grow. Spread the energy around  
Richard B when the by-laws were changed it says that we need to specify what our committees do and there needs to be rule that govern these committees.  
Joe M, will help develop leadership skills.
- 7:20 PM Report of Leadership Development Committee

- 7:35 PM Donovan Rivers, Candidate for U.S. House of Representatives, 7<sup>th</sup> District  
Last 32 years working to keeping the community safe, organized the group to critique our seattle police officers. Thinks jim m has been waisting money flying to and from dc, he has just decided to fly Alaska airlines to find cheaper flights. Use ear marks properly to support our community. This place is changing, we need to change our votes. What would you bring to the seat if you win. Jim was my mentor. I know how to deal with other nations, I would be in contact with all of the 7<sup>th</sup>. Jim thinks he has it made. Tukwila mayor has never meet jim.  
What would you do with those that have paid their debts in prison. I think they needs to be treatment to help reprogram them.
- 7:50 PM Peter Johnson, Pike Place Market ballot measure Meagan Dickson  
Camp manager for support our market approve property tax levy to improve the market. Oldest, longest running farmers market in the nation. An amazing icon. Developers in the 70's tried to change the market.. the city banded together to save the market. Needs a major over haul windows, electrical, plumbing,  
6 yr \$73 million levy. 10.00 per 100,000.00, works out to about 37.00 a yr.  
Market foundation helps provides basic human services.
- 8:00 PM Jean Rietschl, candidate for Superior Court no show
- 8:03 PM Laura Gene Middaugh, candidate for Superior Court  
Pos 26  
Current encomb. Elected 8 yrs ago. Rep on sup court judges committee. Have not been rated yet because encombents don't get rated until they have an opponent.
- 8:06 PM Ann Danieli, candidate for Superior Court no show
- 8:09 PM Phyllis Huster, candidate for State Senate, 5<sup>th</sup> Legislative District  
We are going to win big in the 5<sup>th</sup> this year! This is my self preservation. We have to wrk hard at the local level to keep our communities safe from national spying. Clearwire tried to prevent me from advertising in Issaquah. Saying the community would not like it, they are rep owned. You have to sponsor research and development in order to grow.
