

Date: March 11, 2009

Please click on "Issue Area" to learn about bills before the legislature. Please click on "Contacts" to e-mail a LAC member.

LAC members are responsible for the content under their respective issue areas. In cases where Democrats may take more than one position, LAC members will endeavor to provide for this site relatively neutral descriptions of bills (ie. Text from non-partisan Legislative Bill Reports). When posted, "Pro" or "Con" position documents will be labeled accordingly.

Users of this site are encouraged to contact LAC members because they are typically well versed in their specific issue areas. However, please keep in mind that opinions of individual LAC members do not constitute an endorsement of the 34th District.

If you would like to join the LAC and help lead an issue area, please contact Greg Doss (gregcoug92@yahoo.com) for information about upcoming meetings. Thank you.
