

MARCH 10, 2009 OUTREACH COMMITTEE MEETING MINUTES

Called to order at 7:05 PM

Attending were: Les Treall, Kim Becklund, Chris Weiss, and Steve Butts

Chairs' report: We have started contacting organizations in the district to let them know we are here and to learn if there are volunteer needs we can help them with. To date we have contacted West Seattle Food Bank, DNDA, SW Youth and Family Services, The Nature Consortium, Burien Food Bank and have assisted with a telephone survey with DNDA. Lou Mayfield coordinated the survey. See attachment 2 for a list of organizations we intend to contact. There are some organizations in Burien not yet on the list.

I'm rounding up applications for the festivals and parades and will get them in a timely manner. I have secured a table at the Gathering of Neighbors 4-4-09 at Sealth High School. We will do voter registration and maybe member recruitment, as well as interact with other organizations.

Les and Lou attended the committee summit and came away with goals and assigned tasks for the outreach committee. See attachment 3.

After the Chair's report we went through the list of tasks and organizations, and assigned most to someone on the committee. Les will follow up on the remaining and try to get some one to take them on..

The tasks are Community Festivals and Parades-Les, Volunteer Opportunities- Kim, Speakers Bureau- Les, Beth Grieser, Christi Stapleton, and Chris Porter, and Community Organizations Liaisons (see attachment 2).

Finally we set our next meeting for 4/14/09 at 7PM at the Uptown Espresso in the Junction.

Adjourn at 8:15
