

**Dear fellow Democrats,**

For years we've been angry about the results of the 2016 election and the direction our country is going. For the past three years we've talked about how we want to kick Trump and his cronies out of the White House, and his allies out of the halls of power across America. Now, it's time for us to put our words into action.

In 2020 we will focus our efforts nationally to take on Trump, his allies, and the toxic values they peddle, including xenophobia, anti-semitism, and racism. Before we take on the hatred we're seeing across the country, we will spend our January meeting learning and discussing the hate that is pervasive here at home. Unfortunately, the statistics are astonishing, with hate crimes in Washington rising by 78% between 2013 and 2017.

On Wednesday, January 8th, join Nina Martinez from the Latino Civic Alliance and Attorney General Ferguson's Hate Crimes Working Group, and Kendal Kosai of the Anti-Defamation League of the Pacific Northwest, for a panel discussion on the prevalence of hate crimes in Washington State.

Also at our January meeting, you can renew your membership for 2020! We have ambitious goals for this year, including using our volunteer power to flip red seats here in Washington and across the country, so don't miss out by letting your membership lapse, and check out below how you can get more involved.

Here's how you can turn your despair into action in 2020 with the 34th Democrats:

- Renew your membership by January 31st!
- Join the Mobilization Committee to plan and lead our get out the vote efforts to flip red seats ( email DeLancey Lane at [delanceylane@gmail.com](mailto:delanceylane@gmail.com) ).
- Become a Precinct Committee Officer, a.k.a a neighborhood captain for the Democratic Party ( email Nick Bonazza at [nick5669@gmail.com](mailto:nick5669@gmail.com) ).
- Join the committee to plan the Democratic Caucus ( email Rachel Glass at [werdachel@aol.com](mailto:werdachel@aol.com) ).
- Attend our March 11th training on "How to Caucus & Run to be a Delegate"
- Attend our April 8th "Making The Blue Wave" workshop, and focused on our 2020 win plan

## Kathryn Sprigg Elected to Ocean Shores City Council

It was recently brought to the attention of the newsletter that long-time member of the 34th Democrats and former Secretary, Kathryn Sprigg, has been elected to a seat on the Ocean Shores City Council.

Upon Kathryn's retirement, the couple moved to Ocean Shores. The couple soon fell in with local Grays Harbor County Democrats by attending the Drinking Liberally chapter in Aberdeen. Not one to sit back, Kathryn continued her activism by serving as campaign manager for an Ocean Shores City Council candidate in 2017, in race challenging an incumbent. It would surprise no one, given Kathryn's enthusiasm, her candidate won the election.

She continued her community involvement by being a North Beach Senior Center volunteer and serving on the Ocean Shores Planning Commission. It was due to this zest for civic involvement – both here in Seattle and in her new community – that Kathryn was picked from a pool of seven applicants to fill a vacant City Council seat earlier this year. In stating her case for the job, Sprigg remarked: "Ask yourself, who shows up for events, Council meetings and other government gatherings? I do, and I love working with people."

This past November, Kathryn won the seat by a 17-point spread.

We have started planning for this event. Please consider to be a part of this effort. You can help in planning and/or volunteer onsite the day of the caucus. Let's make this year's caucus a success!

# **Resolution Urging Washington State Adoption of the Zero Emissions Vehicle (ZEV) Program**

*WHEREAS the climate crisis requires bold action to reduce carbon emissions;*

*WHEREAS gasoline is the single largest source of carbon emissions in Washington State;*

*WHEREAS the electricity that powers electric vehicles in Washington State is overwhelmingly produced by renewable energy;*

*WHEREAS electric vehicles do not emit carbon or other pollutants nor leak motor oil into waterways;*

*WHEREAS the cost of electric vehicles is at or in approximate parity with comparable gasoline-powered vehicles on a lifetime cost-of-ownership basis;*

*WHEREAS ten states--California, Oregon, New York, Massachusetts, New Jersey, Connecticut, Maryland, Rhode Island, Vermont and Maine--have adopted the Zero Emissions Vehicle (ZEV) program first developed in California, Senator Joe Nguyen of the 34<sup>th</sup> LD is sponsoring ZEV legislation for Washington State;*

*WHEREAS the California's ZEV program requires that 2.5% of each automaker's vehicles sold in the state be electric in 2019, rising to approximately 8% by 2025;*

*WHEREAS the ZEV program has already resulted in a greater availability and variety of electric vehicles, more consumer choice, and lower prices, in the states that have adopted it, and*

*THEREFORE, BE IT RESOLVED the 34<sup>th</sup> District Democratic Organization urges the Washington State Legislature to promptly enact legislation to adopt the ZEV program; and*

*BE IT FURTHER RESOLVED this resolution be sent promptly to Governor Inslee and to our legislative representatives.*
